

Bobcat E50z

£POA

The new Bobcat® E50z is a new generation model in the 5 tonne compact excavator class, offering the benefits of Zero House Swing design. The E50z model is an easy-to-use, robust machine, introducing the next level of operator comfort and features required by demanding owner-operators. Increased weight has been optimized to maximize stability, which enables us to offer the long arm as standard. Thanks to the Bobcat platform design approach, the E50z benefits from the majority of features found on mainstream models.
